PROFESSIONAL SUMMARY

Information Technology undergraduate with a strong foundation in Software Engineering and Database Management. Proven ability to architect secure enterprise applications, demonstrated by the development of a biometric attendance integration tailored for LGU Lagonoy. Civil Service Professional (89.20%) committed to delivering optimized, user-centric solutions.

EDUCATION

Partido State University

Bachelor of Science in Information Technology

Goa, Camarines Sur
Expected Graduation: 2026

- **Honors:** Consistent Dean's Lister (1st Year – 3rd Year).

TECHNICAL PROJECTS

Integrated Employee Management System (IEMS)

Lead Programmer & UI/UX Designer

Capstone Project
Aug 2025 – Present

- Developed a Desktop application using JavaFX and MySQL, centralizing personnel records and modernizing the attendance workflow for 200+ LGU employees.
- Automated administrative workflows by developing a Personal Data Sheet (PDS) parser and DTR generator, reducing payroll processing time from days to seconds by eliminating manual encoding.
- Implemented military-grade security standards including AES-256 encryption for automated backups and bcrypt for credential hashing, ensuring strict compliance with data privacy protocols.

ParSULOAF (University Lost and Found System)

Sole Developer

Academic Project
Nov 2024 - Dec 2024

- Developed a centralized web-based repository using PHP and MySQL to digitize the university's manual lost-and-found logbook.
- Streamlined the reporting workflow, reducing the steps required to file a lost item report by 40% compared to traditional paper forms.
- Engineered a search and match algorithm designed to handle concurrent queries from a student population of 5,000+, ensuring rapid item retrieval.

SKILLS

- **Civil Service Eligibility:** Career Service Professional Examination – **Rating: 89.20%** March 2, 2025
- **Programming Languages:** Java, C++, PHP, JavaScript, HTML, CSS.
- **Technologies & Tools:** JavaFX, Bootstrap, JQuery, MySQL, PostgreSQL, Git/GitHub, Figma, VS Code, NetBeans.

SEMINARS & TRAININGS

- **Digital Literacy: Legal Consideration, Cybersecurity, & AI Impact** Nov 19, 2025
ParSU Gymnasium, Goa | Onsite (8 Hours)
- **Introduction to IoT and Digital Transformation** Sep 18, 2025
Cisco Networking Academy (Region 3) (4 Hours)
- **Information Session: Data Privacy and Awareness** Sep 10, 2025
DICT Region XI | Zoom Meeting (4 Hours)
- **Cyber Security Basics: "Take Control of Your Online Security"** Aug 22, 2025
DICT Region 3 | Google Meet (4 Hours)
